

Grill pedestrian PVC (A15 load class)

Use: to cover rain or waste water drainage catch basin.

Application field: pedestrian, cycle or motorcycle areas.

Material: PVC.

Installation: the grate perfectly fits the REDI catch pit. Always use a frame when covering concrete catch basin or in case of special applications.

Durability: PVC specifications and structure design give this product a great resistance against atmospheric agents and ageing and ensure dimensional stability in time.

Tested by Istituto Giordano.
