

# 130 Grill walkaway standardized for swimming pools

Linear evacuation by superficial drainage channels with grills.

These channels can be placed in flat open areas without digging limitations.

To use as pedestrian draining cover for channels alongside swimming pools.

Material: PVC.

Marking: CE.

Regulation: EN124 A15 Load class.

Features:

- barefoot-friendly
- antiskid knurled surface
- provided with coupling pins
- preset for screw fastening to the channel.

Durability: PVC specifications and structure design give this product a great resistance against atmospheric agents and ageing, and ensure dimensional stability in time.
